Mrs. Blair is well known in the area as a former 4-H leader and teacher. She taught school for 50 years, in Foxboro, Mass., Stratham, West Epping and the old Red Oak Hill School in this town. She is perhaps best remembered as an active 4-H leader participating right up to two years ago when she reluctantly gave up the leadership of the "We Sew Some" 4-H Club in West Epping, a club that she started more than 50 years ago.

She was drawn into 4-H work through her teaching because she wanted to become closer to the children in her community. Mrs. Blair is proud of the fact that she is one of the pioneers in the 4-H camping movement in Rockingham County, and in the State of New Hampshire. She was the chairman that started the first county 4-H camp in N.H., a Rockingham group, that roughed it at Hedding Campground. Several generations of youngsters in West Epping were influenced by her contributions to their 4-H education.

Mrs. Blair is the oldest Quaker still residing here where an old Quaker Meetinghouse, built about 1850, still has annual Quaker meetings in October of each year. Her ancestor, Josuha Folsom preached the Quaker faith here back in 1772.

Mrs. Blair is also a past president of the Woman's Club and is a member of the Sally Plumer Chapter, Daughters of the American Revolution.

She was born in West Epping. Her parents were the late Mr. and Mrs. Thomas Folsom and she is the widow of Edmond G. Blair, a former town selectman.

SELECTMEN'S REPORT

Epping, in 1971, has witnessed many changes. The tax rate has remained the same for two years. It has been good not to have to pay additional taxes.

Many accomplishments can be pointed out:

(1) Our Sewer System is now in operation.

(2) Our roads are repaired and in good operating condition.

(3) Our Town has dedicated the Mary E. Blair Park to be used by all citizens.

(4) The number of new housing starts is greater than Epping has experienced in the past twenty (20) years.

(5) Several parcels of tax deed land has been sold and will again be paying taxes.

(6) There are more citizens working to improve the quality of life for all citizens in our Town than any previous time in our history.

We wish to thank all for their many hours of time donated to our Town.

The Heads of all Departments and Committees have run efficient operations and the Board of Selectmen wish to say "thank you". Your cooperation has been outstanding.

There are many articles in the Town Warrant that cover all areas of our community life such as the proposed Park Committee and its program, the Fire Department for better fire protection, the Housing Committee recommendations for improved housing of our low income and elderly, our Sewer & Water Department's recommendations to continue an adequate water supply, and the recommendations to retain our scenic roads.

Please give each proposal your careful consideration and vote at the Town Meeting.

Richard Sanborn, Chariman
Board of Selectmen

LIBRARY REPORT

It has been said that no one who has a houseful of books is poor. The gifts that helped build the Harvey-Mitchell Memorial Library were made so that, for every citizen of Epping, this would be his "houseful of books" to use for profit and enjoyment.

If your library does not have books or magazines giving the information asked for, your librarian has statewide resources to supplement these. She may contact the State Library's District office in Exeter, from which needed books have often been received by the patron a few hours after his request was made. If the needed material is more technical, a request form may be sent to the State Library at Concord, where a research librarian will find the material best suited to answer the need, and send it to your library free of charge.

Because the library's purpose is to be an information center, its service is more than distributing books, magazines, and pamphlets. Large print books are available for those whose eyesight makes these welcome. And for patrons whose physical condition makes it difficult or impossible to hold or read books, a record player and "talking books" (recordings made by a trained reader) are lent to the user at no cost to him for either the player or the records.

Films are another source of information and recreation. On Friday afternoons, in the Lydia Ladd room of the library, there is a program about an hour in length, and with an average attendance of about 25 to 30 pupils. These films, owned cooperatively by Maine, New Hampshire, and Vermont, are lent to local libraries. If any community organization is interested, please contact your librarian about the possibility of a free program. She has a list of films suitable for different ages and interests.

Musical recordings have been lent to patrons, sometimes to help them increase their skill in a chosen instrument; sometimes wholly for recreation. Your library's collection of Christmas music is especially good. Patrons are invited to look at our recordings, and perhaps bring in some they may wish to donate.

The town is indeed fortunate in having the services of Mrs. Robert Kimball, Mrs. Arthur Averill, and Mr. Richard F. Sanborn as library trustees, and of Mrs. Richard F. Sanborn as your district library consultant. They have shown deep interest in helping to make this library increasingly useful, and have given of their time and experience to further that aim. Visits of the Bookmobile, bringing books to lend to your library several times a year, is another free service coming to us from the office of the district consultant in Exeter. Your library has also been fortunate in receiving several gifts of books this year, as well as gifts of time and service from some of its patrons.

I wish to express my appreciation for the opportunity to serve as your librarian and to give better service to the patrons because of the help of such a competent and interested assistant as Mrs. Milton Chandler. During this past year I have completed three library science courses, of twenty-five class hours each, at U.N.H. and this spring I expect to take another, dealing with the library as an information center. The key to greater success of the center is your contacting the library and letting us know what you would like to find there. If you can't come in, telephone (689-5944) or send a note. This is your "houseful of books". Enjoy its free services.

Respectfully submitted,
Carolyn D. Lewis
Librarian

POLICE REPORT

As your Chief of Police, I respectfully submit my report of the Epping Police Department for the year 1972.

This year the accomplishments of the Department were very obvious, and I can assure you that the officers of this department are proving more and more to be an outstanding law enforcement team, of which I am proud to be a member.

The BLUE NETWORK, which was established in 1970 has proven to be more than successful allowing the department to act more efficiently on complaints. The Blue Phones are located as follows; one in my home, one in Officer Preston's home and one at the Town Hall. The Police number remains at 679-8292.

The following is a comparison of the departments case load between 1970 and 1971 allowing the department to show the increase in which the department has acted.

In addition to the above, the following court actions were taken in the respective years.

	1970	1971
Court Actions	<u>39</u>	<u>150</u>
TOTAL	346	1406

I would also like to take this opportunity to state that in 1970 Epping was the scene of four accidents involving loss of lives. In 1971, there was only one accident involving loss of life, and the loss of life did not stem from injuries received in the accident.

The following is a breakdown of man hours to dollars and cents in relation to court activities.

OFFICER	Salary Earned	No. Hours Worked	No. Court Cases	Communication

In conclusion I would like to take this opportunity to thank the people of Epping and the Officers of the department for their co-operation and support.

Respectfully,

Chief Norman H. Marcotte

PLANNING BOARD REPORT

A. Your Planning Board's major accomplishment during 1971 was a study of housing needs in Epping, with emphasis on low-income housing and housing for senior citizens. The study group was Marian Marcotte, Arthur Averill & John Jacques.

From this work came the decision to recommend a town Housing Authority (see town warrant). This agency would:

1. be appointed by the selectmen to provide local control for dealing with local problems
2. protect the tax base by encouraging sound housing
3. take advantage of federal funds to provide housing for needy and senior citizens
4. improve appearance of the town by helping to spruce up rundown rental property.

B. New permit forms are available to help residents comply with all state and local ordinances. The Board has advised many citizens in order to help them comply with new state regulations and avoid fines. In some instances new state laws are more strict than local laws, e.g. mobile home park regulations passed by the 1971 Legislature.

The Planning Board is concerned only with land. Septic tank requests are handled by the Health Officer, building permits by the Building Inspector.

C. Our primary objective is completion of a Comprehensive Plan for the Town of Epping. It will identify development trends and problems and prepare guidelines for orderly growth.

The Comprehensive Plan will be based on the desires of the people who live here; a survey is being prepared by a subcommittee to be mailed to all residents. The results will be incorporated in the Plan, based on sound planning practices and on land capability (what is the soil able to support?). Survey will ask such questions as:

How should Epping grow? Do we want it to grow? How do we protect the taxes of residents? Do we want to re-

main a small town? Encourage farming? Have a commercial zone? What services should be provided? How can we protect our natural resources?

D. Tax map. State law requires all towns to have a tax map by 1980. Planning Board members are volunteering many hundreds of hours to save the town many thousands of tax dollars in preparing the map.

E. Preparing a Comprehensive Plan and a tax map requires professional help. If the town votes Southeastern N.H. Regional Planning Commission membership, professional planning advice will be available (see Town Warrant). All requests for federal aid must also be channeled through the Regional Commission, and assistance in requesting funds is offered to member towns by the Commission's experienced staff.

F. Future study groups will investigate school needs at the request of the School Board; fire department needs to determine what can be done to lower insurance rates for residents; need and desirability of a commercial area.

G. A sizeable increase in requests for subdivision approval occurred during the year. The majority involved land for mobile homes.

REPORT OF THE BUILDING INSPECTOR

The building ordinances have been in effect for three years. A progress report for this period reveals — 15 permits issued in 1969; 25 permits issued in 1970; and 40 permits issued in 1971.

Permits issued in 1971 are as follows:

4	Commercial additions
1	School addition
2	Mobile home additions
10	Conventional dwelling additions
2	Barn to apartment conversions
7	Conventional dwellings
2	Assembled dwellings
12	Mobile homes on individual lots

An encouraging sign, that I'm pleased to report, is that there have been no new violations of our building ordinances. I'd like to thank each and everyone for his cooperation in making this possible. Violators from previous years, have either conformed or are still awaiting court action.

Once again, thank you for your cooperation in the pruning of our branches, which I'm sure will result in making our town more prosperous and more attractive for all.

Respectfully submitted,

William H. Anderson
Building Inspector

REPORT OF EPPING CIVIL DEFENSE

I respectfully submit to you the annual report of Epping Civil Defense.

Program papers for years 1971 and 1972 were submitted and approved by the State Civil Defense Agency. The program papers outline our present position, ei personnel, equipment, and proposed progression.

Presently we have acquired tow (2) 2½ ton cargo vehicles from the New Hampshire Civil Defense Agency.

(1). One of which will be used by the Fire Department and as a CD backup vehicle.

(2). The other vehicle will be used by the Forest Department, Fire Department and as a CD backup vehicle.

The funds for these vehicles were donated by the Epping Volunteer Fire Department at no cost to the tax system of Epping.

I have met with the New Hampshire Civil Defense representatives at three separate times during this past year, to coordinate state and town efforts toward Civil Defense goals, with satisfactory results.

Donald S. Shappell
Director Civil Defense

REPORT OF CONSERVATION COMMISSION

The past year has left a lasting impression on us and on the community we are working to improve. We have now, through the efforts of this commission and the spirit of cooperation shown by the townspeople, a new town recreation area called the Mary A. Folsom Blair Park, and the hopes of a smaller scenic area in the center of town. This smaller area was formerly the Walter Harvey property, and is well situated to enhance the beauty of the area and provide comfort and relaxation for our senior citizens. This area will be known as the Lilac Town Park.

Our hope for next year is to show continued progress in the overall Riverfront Preservation Project plans. Our objective is to eventually clear the Lamprey River of all pollution and restore natural beauty to its banks. We would also strive to maintain proper balance of nature in our lowlands or watershed areas.

The town of Epping has been helped to become what it is, in part because of its natural assets, one of which is the Lamprey River. It is our wish to maintain and build upon these assets and to bring about continuing ecological improvement for our and future generations. As you know, these objectives may only be met through hard work and dedication to cause.

I wish to express my sincere appreciation to the members of this commission and to the townspeople for their interest and support of our mutual goals.

Sincerely,

Ralph V. Anderson
Chairman

REPORT OF EXETER AREA VISITING NURSE ASSOCIATION

1971

1971 has been a year of expansion and growth for the Visiting Nurse Association. At present, there are three full-time and four part-time registered nurses, one physical therapist and one secretary-bookkeeper.

A total of 4,591 nursing visits and 1,264 physical therapy visits were made in the ten towns covered by the service, 443 were made in Epping.

The Agency provides the services of a Home Health Coordinator to the Exeter Hospital on a part-time basis, thus ensuring the continuity of care for patients requiring extended care when discharged from the hospital to their home.

A new Well Child Conference has been initiated and will be held monthly to provide immunizations and physicals to infants and pre-school children of eligible families.

The Exeter Area VNA is a service interested and involved in the prevention as well as the treatment of disease.

Board meetings are held first Monday of each month.

More information may be obtained by calling your local representative(s), or the Visiting Nurse Association office at 21 Prospect Avenue, Exeter, N.H., phone 772-2981.

WATER & SEWER COMMISSION REPORT

The Water & Sewer Commission has now been in existence for a period of 21 months, and along with the Town residents, we have survived the inconvenience of the sewer installation. Although it has not yet been officially accepted by the Town, the installation was put into operation during August 1971. At the point of this writing, there have been 153 permits issued and 121 actual connections made to the sewer system. The dwellings and businesses not yet connected have until August 17, 1972 to complete this necessary work.

While construction work was in progress on the sewer system, we experienced many problems with our water system. We had four major breaks — one each at Boar's Hill, Railroad Avenue, Main Street and High Street. In each case, there were certain inconveniences placed upon our residents.

There were also four new connections made to the water system. The pumping station received its annual overhaul, and the water meter was also overhauled and should be placed in operation early in 1972.

The Water and Sewer Commission met every Wednesday night from 7:00 to 9:00 and received very few visits from our local citizens. We, therefore, trust that for the most part, everyone is satisfied with the operation.

During the ensuing year we should gain a good deal more experience in the operation of the sewer system and should be able to provide the people with a more knowledgeable budget.

Respectfully submitted,

REPORT OF RECREATION STUDY GROUP

The Epping Recreational Study Group was formed in September by the Selectmen, who appointed several interested people in town. The members were chosen from all parts of town with different types of community interests to help provide a broad scope of talent for the Study Group.

Those selected were:

Joy R. Canelas

Mrs. Robert Chamberlain

Mr. Herculano Fecteau

Mr. Francis Murphy,

Mr. Herculano Silveira (chairman)

Mrs. Herbert Rauh (ex-officio member from the Conservation Commission).

The Study Group met every Monday night possible, at the Town Hall. Many ideas were expressed and discussed by the group. It was decided that various parks in nearby areas should be examined and compared to Epping in regard to problems such as: size of town, appropriation of money, upkeep of parks, and costs for miscellaneous problems that arise in the development of a new park. Many towns in the area were brought into the discussion, such as Nottingham, Lee, Deerfield, etc.

A survey was made by the group and sheets were distributed throughout the schools and an assembly was called with "Herky" Fecteau leading the assembly. The survey showed that the children of the town prefer an area for sports and a swimming area, also a supervised summer program. Swimming ranked first on the list with general sports running second.

The Study Group felt that more experienced voices needed to be heard, and Mr. James Hayden, Department of Park and Recreation in Concord was invited to attend a meeting to discuss the problems and benefits of establishing a new recreation park. He offered his services and those of his office any time needed. His suggestions were helpful and his services were indeed cooperative.

Another meeting held was attended by Mr. Joseph Quinn, Chief of Recreation Services, N.H. Department of Resources and Economic Development. He gave us more advice needed on the problems that were arising. The discussion evolved around the subject of swimming in the area. It had become a problem because it was found that the area needed two gallons of water per bather for safe swimming without pollution. Despite the many bathers for numerous years, this became our biggest problem. A test has been taken, however, but nothing definite has been decided. Until spring, when further tests are taken after notice has been made of the damage done by the heavy spring thaw. The surrounding banks have to be taken into consideration because of the erosion of soil and danger of falling trees, shifting soil and whirlpool action in certain areas. Every possible angle is being investigated so that if the children are allowed to swim, they will do so safely.

Mr. Wink Tapely, also of Concord attended another meeting bringing slides of various types of recreational equipment to give the Study Group an idea of what was available, and the cost of various types of equipment. There were also suggestions for practical purposes, Epping being a small town and of limited income, for equipment to be made from natural sources, such as fallen trees trimmed and shaped to give a creative appearance of nature's accidents. All equipment was given much thought, discussed for its safety and of any dangers that could arise out of their use. Every angle was discussed, as the Study Group has only the safety and well-being of the children in mind.

The children of Epping have little offered to them in the line of recreation, and the Study Group hopes that the Mary Folsom Blair Community Park will be of benefit to them. We also hope that the townspeople will think of the assets of a recreational program for the youngsters both during the summer months and winter season. A program for children that find nothing to do — to keep them occupied, but, "interested" and have them take great pride and pleasure in their park, provided by the town.

A Recreation Commission must be formed, however, to keep the park in order and see that the functions that are supplied stay in working order. It is also necessary to have a maintenance crew to keep the park in safe condition. All these things have to be discussed and should be kept in mind in March, when it will come up for a vote.

DEVELOPMENT COMMISSION REPORT

Your Epping Development Commission's first job was three-fold:

- to collect all the essential data on the new 400 acre industrial zone;
- to learn all we could about other industrial parks and what made them successful;
- and to prepare plans for our own park that would realize its full potential for the benefit of Epping.

During the past year members of the Commission have surveyed the entire Park area, locating lines and bounds. Many bounds had been lost for years so a great deal of researching deeds and title searches was also necessary.

We collected all available material on some 30 other New Hampshire parks and several dozen parks in other sections of the country for our study. In addition, members of the Commission visited as many area parks as possible.

Appropriate park regulations such as setbacks and similar protective covenants were studied in detail. Our own Park covenants will shortly be proposed.

More than a dozen industries have expressed an interest in the Park. Groups cooperating with us in our study, research and planning include:

- Community Economic Development Division of the Small Business Administration
- State of N.H. Industrial Development Commission & Industrial Development Authority
- Land Use Foundation
- Rockingham County Conservation District
- Dartmouth College
- State Highway Department
- Town Attorney
- Public Service Co. of N.H.
- New England Telephone Co.
- Boston & Maine Railroad

The New Hampshire Industrial Development Commission is working very closely with us and is most enthusiastic about the future of our Park.

Like our initial assignment, our goal itself is also three-fold:

to create an industrial park which will be beautiful...
and a real credit to our town;
that will offer the most attractive site from a business
point of view to prospective industry;
that will attract the kind of industry that will make a
contribution to the town's tax base without making
self-canceling demands on town services.

The Park to be a good thing must be good for everybody. This is our guideline.

Our meetings are the first and third Wednesday of every month at the town hall. And you are most cordially invited.

TOWN WARRANT

and

BUDGET

TOWN WARRANT STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at Epping Town Hall in said Epping on Tuesday, the Seventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see what sums of money the Town will vote to raise and appropriate for roads, bridges and sidewalks.
4. To see what sum of money the Town will vote to raise and appropriate for Memorial Day Expenses.
5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
6. To see if the Town will vote to authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise either by private sale or public auction providing that if such property is to be sold at public auction or private sale, then the same shall be advertised 60 days in advance of sale with notice thereof posted in three public places and area newspapers. Submitted by Selectmen
7. To see if the Town will vote to raise and appropriate the sum of \$952.05 and the State of New Hampshire to contribute \$6,347.01 towards Class V construction and for improvements to our town. Submitted by Selectmen
8. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be paid to the Mental Health Clinic in Portsmouth, New Hampshire to help defray costs of service received by our community. Submitted by Selectmen
9. To see if the Town will vote to approve the installation of three street lights on existing poles on Jenness Road, West Epping, beginning at Depot Road and extending thereon to the property of John Hackett, Sr. by land of Daniel S. Hack-

ett, one pole at the end of Vasselian Driveway and also one in between two points described. Cost, \$126.00 per year. Submitted by Alexander R. Vasselian John D. Hackett and other petitioners

10. To see if the Town will vote to approve the expenditure of not more than \$3,000.00 from retained earnings in the Water Account, to be used to search for an additional water supply for the Town of Epping. Submitted by Selectmen

11. To see if the Town will vote to amend article nine (9) of the Town Warrant of 1970 to allow the purchase of a Police Cruiser sedan in place of a station wagon. This request is made by the Epping Police Department due to changes in the State Laws relating to Ambulance Service requirements which make a combination Police car and ambulance prohibited and not in the best interest of proper police coverage. The difference in cost to be used for the installation of Radar Equipment. Submitted by Selectmen

12. To see if the Town will vote to raise and appropriate the sum of \$16,000.00 dollars for the purpose of a revaluation of property in the Town of Epping by the State Tax Commission. Submitted by Selectmen

13. To see if the Town will vote to raise and appropriate the sum of \$800.00 for a 35 watt radio for the use of the Epping Fire Department. Submitted by Selectmen Epping Fire Department.

14. To see if the Town will vote to raise and appropriate the sum of \$32,600.00 for the building of a Sub-Station of the Epping Fire Department to be located in West Epping on land now owned by the Town of Epping. This Station to house three (3) Fire Trucks, and to determine now any such appropriation shall be raised — whether by taxation or by borrowing and if by borrowing, to authorize the issuance and sale of Bonds or Notes of the Town under the Municipal Finance Act or other enabling authority, and to take any action incidental to or connected with the foregoing matter or any of them. Submitted by Selectmen, Epping Fire Department

15. To see if the Town will vote to designate the following roads as scenic under the provisions of RSA 253:17 & 18, for the purpose of protecting and enhancing the scenic beauty of Epping and, further, that the Selectmen of said Epping shall, regarding such roads designate as scenic, file

the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7(1):

- (1) High Road to Lee town line
- (2) Stingy River Road
- (3) Folsom Lane
- (4) Folsom Mill Road
- (5) French Road west to Nottingham town line
- (6) Dearborn Road from Prescott Road to Nottingham Square Road
- (7) New Lane
- (8) Old Nottingham Road beginning with the property of Harold Stone and continuing beyond the residence of Robert Chamberlain to Nottingham and Lee town line
- (9) Blake Road from the property of Robert Illsley to Nottingham town line.
- (10) LaBarre Road, (Red Oak Hill Lane)
- (11) North River Road from the junction of 125 near the residence of Buswell to Lee town line
- (12) Camp Lee Road

16. To see whether the Town will vote to establish a Recreation Commission under RSA 31:47, to exercise all recreational powers granted to a Town under New Hampshire RSA 31:44, said Commission to be known as the Epping Recreation Commission consisting of five (5) members to serve without pay, and to be appointed by the Selectmen, the first two (2) persons appointed to serve for three (3) years, the two (2) person next appointed to serve for two (2) years and the fifth person appointed to serve for one (1) year.

Submitted by Conservation Commission

17. To see if the Town will vote to raise and appropriate the sum of \$8,390.00 for the development, operation and maintenance of the Mary E. Folsom Blair Community Park.

Submitted by Conservation Commission

18. To see if the Town will vote to allow the Church of the Emissaries of Devine Light, Ladd's Lane, Epping, New Hampshire, to tie in sewerage to the existing sewer line at inter-

section of Railroad Avenue and Route 101 (Old), with all expenses being incurred by the Emissaries of Devine Light, and when proposed sewer line is completed, the sewer installation will be turned over to the Town of Epping as Town domain. Submitted by Selectmen

19. To see if the Town of Epping will vote to accept the Right-of-Way located between Main Street and the Carrie Odiorne Junior High School as a town road. Submitted by Selectmen

20. To see if the people of Epping will vote to increase the number of hours a week during which the Town Dump will be open. Submitted by Herculano Fecteau, Miriam Jackson and other petitioners.

21. To see if the Town will vote to become a member of the regional planning commission, now organized and named the Southeastern New Hampshire Regional Planning Commission. This Commission will have membership of at least two municipalities and will have jurisdiction over the planning region delineated by the Office of State Planning. The objective of the Commission will be to plan for and encourage regional planning analysis, provide consensus on major projects within, and which extend beyond, the boundaries of a particular town. Submitted by Selectmen, Planning Board.

22. To see if the Town will vote to raise and appropriate the sum of \$1,452.00 as the Town's share for the studies and operation of the Southeastern New Hampshire Regional Planning Commission. These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal funds available for planning purposes. Submitted by Selectmen, Planning Board

23. To see if the Town will vote to raise and appropriate the sum of fifty dollars (\$50.00), to be used for the purchase of trash barrels which will be placed in strategic locations in order to prevent littering. Submitted by Herculano Fecteau, Eileen Murphy and other petitioners

24. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 to erect four promotional signs within the Town of Epping; three signs to replace those that had

originally been erected by the Epping Garden Club reading "Epping — Home of Three Governors"; and one large sign in the Industrial Park, advertising the availability of this land for industrial purposes. The location of the first three signs as follows: At or near the L & M Restaruant on Route 101 coming from Manchester; at or near the nursery on Calef Highway Route 125 coming from Lee and at or near Ladd's Lane coming from Exeter on Route 101 . Submitted by Wilfred Cloutier, Eileen Murphy and other petitioners

25. To see if the Town will vote to adopt the provisions of the Municipal Budget Law as contained in RSA Chapter 32 as amended, and to establish a Budget Committee consisting of six members at large, the members at large to be appointed by the Moderator, all in accordance with said Chapter 32 Submitted by John Hoar, Jr., Ludwin Proulx and other petitioners

26. To see if the Town will vote to elect the members at large of the Budget Committee commencing in 1973 in accordance with the provisions of the Municipal Budget Law as contained in RSA Chapter 32 as amended. Submitted by John Hoar, Jr. Ludwin Proulx and other petitioners

27. To see if the Town will vote to approve the names of the roads in the Town as submitted by the committee appointed by the Selectmen. The names to be placed on the official Town Map and recorded at the Registry of Deeds. (The official Town Map as previously adopted with names of the roads will be on public display in the Hall on the meeting day.) Submitted by Selectmen

28. To see if the Town will vote to replace the Planning Board appointees as their terms of office expires by election

29. To see if the Town will vote to abolish the Planning Board, the Board of Adjustment and the Building Inspector for the Town of Epping. Submitted by Wilfred Cloutier, John D. Hackett, Jr. and other petitioners

30. To see if the Town will vote to adopt the following resolution: WHEREAS, under the provisions of Section 23 of the United States Housing Act of 1937, as amended, the Department of Housing and Urban Development is authorized to provide financial assistance to local public housing

agencies in providing low-rent housing by leasing dwelling units in existing privately owned structures; and

WHEREAS, said Section 23 provides that the provisions thereof shall not apply to any locality unless the governing body of the locality has by resolution approved the application of such provisions to such locality.

NOW, THEREOF, be it resolved by the qualified voters of the Town of Epping as follows:

That there exists in the Town a need for low-rent housing at rents within the means of persons and families of low income as defined in the United States Housing Act of 1937, as amended, which need is not being adequately met by private enterprise; and the application of the provisions of Section 23 of the United States Housing Act of 1937, as amended, to the Town of Epping is approved. Submitted by Selectmen, Planning Board

31. RESOLVED: that the voters of Epping be recorded as urging immediate passage of a current use assessment law by the General Court as permitted by the No. 7 Amendment to the State Constitution passed in 1968, and that the Selectmen of Epping be instructed to communicate this action to the town's representatives and Senator, the Governor, the Open Space Land Study Commission, and the Clerks of the House and Senate. Submitted by Daniel Harvey, Miriam Jackson, and other petitioners

32. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to rebuild the Gulf Bridge (Harvey Cattle Pass) on Nottingham Square Road. Present structure to be replaced with an eight foot diameter culvert. Submitted by Selectmen.

33. To see if the Town will vote to raise and appropriate up to the sum of \$500.00 to be paid to the Raymond Ambulance Assoc. for services rendered to citizens of Epping. Submitted by Selectmen

34. To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved. Submitted by Selectmen

35. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this seventeenth day of February, in the year of our Lord nineteen hundred and seventy-two.

STATE APPOINTS

WILSON P. DENNETT — PUBLIC ACCOUNTANT

86 High Street Hampton, New Hampshire 03842

Board of Selectmen
Epping, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Epping for the fiscal year ended December 31, 1971.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Water and Sewer Commission accounts, Water Department, Trust Funds, Municipal Court, and Sewer Projects.

FINANCIAL STATEMENTS

The Balance Sheet as of December 31, 1971 is presented in Exhibit A-1. As indicated therein the Liabilities exceed the Assets thereby creating a Net Debt of \$289,363.93. Comparative Statement of Appropriations and Expenditures (Exhibit A-2) shows a net overdraft of appropriations of \$3,749.11. The statement of Estimated and Actual Revenues and Budget Summary (Exhibit A-3) shows a net increase of actual revenue of \$49,622.43, showing a net budget surplus of \$45,873.32.

DEPARTMENTS

Each official's records are shown in Exhibit B-1 through J-2.

AUDIT PROCEDURE

The Accounts and Records of all town officials charged with the custody, receipt and disbursement of Public Funds were examined and audited in accordance with generally accepted auditing standards, and accordingly include such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collectors Records. The amounts of uncollected taxes as indicated in this report are therefore subject to any change which may be necessitated by the return of verification notices.

GENERAL COMMENTS

All uncollected taxes in Exhibit C-3 for the years 1958 through 1968 have been either abated or deeded to the town, inasmuch as the statutory two year redemption period provided by R.S.A. 80:32 has expired on these tax liens. This is reflected by the increase in the Net Debt in Exhibit A-1. It is recommended that the 1972 Budget should include the tax sale carry-over for 1971. Due to the increased volume of billings and collections to be made by the Water Department, it is recommended that an adding machine be purchased for the sole use of this department.

I want to extend my thanks to the officials of the Town of Epping for their assistance during the course of the audit.

Very truly yours,

Wilson P. Dennett

Wilson P. Dennett—Auditor
Joyce Wildes — Accountant

CERTIFICATION OF AUDIT

This is to certify that I have examined and audited the accounts and records of the Town of Epping for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In my opinion, the Exhibits included herewith present fairly, the financial conditions of the town on December 31, 1971, and the results of operations for the year then ended, in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding year.

Respectfully submitted,

Wilson P. Dennett

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Epping Gymnasium in said district on the eleventh day of March 1972 at seven-thirty in the evening, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the district.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To choose Agents and Committees in relation to any subject embraced in this warrant.
4. To see if the district will vote to accept programs, services, and activities under the provisions of the vocational amendments of 1968 and to expend an amount, as may be available to the districts, not to exceed \$12,000.00 under said federal act, to such particular projects as may be deter-

mined by the school board.

5. To see if the District will authorize the school board to convey to the town of Epping the right-of-way located between Main Street and the Carrie Odiorne Junior High School.

6. To see if the District will vote to raise and appropriate a sum not to exceed \$5,000.00 to purchase and install carpeting in four classrooms on the second floor at the Central School.

7. To see if the District will vote to raise and appropriate the sum of \$3,000.00 for the purpose of paying unanticipated F.I.C.A. and Sewage installation for the 1971-72 fiscal year, which sum is a deficit appropriation.

8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

9. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

SUMMARY OF EPPING SCHOOL DISTRICT MEETINGS

March 9, 1971

The School Board appointed Claude A. Goodrich as moderator pro-tem in the absence of Moderator Kendall Chase. Mr. Goodrich read the warrant and declared the meeting open for the election of officers. Results of voting were as follows:

Moderator:	Claude A. Goodrich	699
Clerk:	Flora M. Goodrich	688
School Board:	Francis J. Lavoie	376

(3yrs)	Robert Lamothe	372
Treasurer:	Deborah B. Winsor	636

March 13, 1971

The Moderator read the warrant and declared the meeting open for the purpose of taking action on the business at hand:

Article 1. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the district. It was voted to take up article 1 under article 6.

Article 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto. The Moderator read the results of the election.

Article 3. To choose Agents and Committees in relation to any subject embraced in this warrant. It was voted to accept Article 3 as read.

Article 4. To see whether the district will authorize the construction, equipping, and furnishing of an addition to the Carrie A. Odiorne Junior High School appropriate not exceeding \$293,000.00 therefor, determine how any such appropriation shall be raised — whether by taxation, transfer of available funds or by borrowing and, if by borrowing, to authorize the issuance and sale of bonds of the District under the Municipal Finance Act or any other enabling authority, and to take any action incidental to or connected with the foregoing matters or any of them. The vote was taken by checklist with Yes/No ballots. The results were 114 ballots cast, 33 YES — 81 NO. Necessary for a 2/3 vote, 76. The motion was defeated

Article 5. To see whether the district will authorize the purchase, equipping, furnishing, and installation of four relocatable classrooms, appropriate not exceeding \$65,000.00 therefor, determine how any such appropriation shall be raised—whether by taxation, transfer of available funds, or by borrowing and, if by borrowing, to authorize the issuance

and sale of bonds or notes of the District under the Municipal Finance Act or any other enabling authority, and to take any action incidental to or connected with the foregoing matters or any of them. The Article was amended to read \$72,000.00. A vote was taken on the amendment to Article 5 and it carried, 86 For and 19 Against. The vote was taken on the amended motion using the checklist with a Yes/No ballot. There were 112 votes cast, 79 Yes and 33 No. Necessary for a 2/3 vote, 74. The motion carried.

Article 6. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district. It was voted that \$580,877.00 be appropriated for the support of schools.

The meeting adjourned at 11:50 p.m.

SCHOOL BOARD REPORT

1971 — 1972

With the support of the School District, the School Board's goals set forth March 1971, were accomplished:

Four relocatable classrooms were purchased, erected and occupied in time for the opening of school, September 1971. This allowed for grades one through six to be housed in one location.

A new principal was hired to direct the activities, staff and educational program for grades one through six.

The School Board is confident that these changes will improve the educational environment at the grammar school level.

Epping High School has again received a Full Comprehensive rating for the school year 1971—72 from the N.H. State Department of Education. In keeping with a comprehensive system, two new courses -Economics and Humanities were added to the high school academic program.

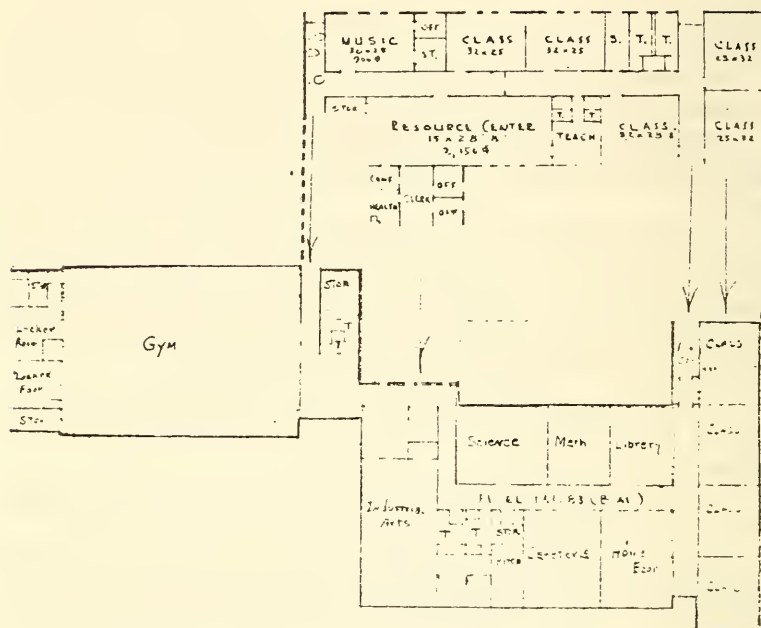

The school cafeteria kitchen was remodeled in order to handle the increasingly large volume of hot lunches being served daily.

A fourth bus was added to handle an increasing number of students needing transportation.

The School Board has also looked at the academic side of the school system to ascertain if the needs of all the students are being met. The Board supports the curriculum of students who will seek additional educational opportunities in colleges, technical schools, etc.—but also recognizes that many students will seek employment upon graduation from public schools. The Board feels that the needs of this group of students also must be satisfied. It therefore endorsed the concept of a pre-vocational program for the Epping Schools. It is hoped by the Board that this will become possible with the availability of Federal funds. The pre-vocational program is an area of educational opportunity the Epping Schools have needed for a long time.

The School Board would like to bring to your attention the enrollment graph presented with this report. It is very

Possible Future Addition for Jr. - Senior High School Increasing Enrollment.

apparent that our school system is growing. With this growth the School Board must face some very difficult questions and problems. This year the School Board has been evaluating such questions as:

What are the School Board's responsibilities likely to be in 1973? 1975? etc.?

What can the School Board do to prepare for the new responsibilities?

What will be done differently in our school three years from now?

What are the schools growth prospects?

When will the schools need to employ additional staff as the growth continues and needs change?

When will the Schools need additional space and new equipment?

What are the economic trends in the Community, State and Nation?

How will the trends affect the Epping Schools one year from now? Five years? Ten years?

By seeking answers to such questions the Epping School Board hopes to stay abreast of some of the problems of the future and provide the proper leadership for the Epping School system.

Cost Per Pupil (See School Cost Per Pupil Graph)

The graph displayed shows Epping's cost per pupil for the last four years. Note that for the school year 1970-71, the cost per pupil for all three educational levels is below the state average cost per pupil. There is a comparison between cost per pupil and numbers of pupils as it relates to dollars spent. The increases in the Epping school budget during the last three years has been less than the median annual increases of school budgets state-wide, while during the same time span, there has been a very large growth in Epping's school population. This can only have the effect of keeping the cost per pupil close to or below the state average. While keeping the costs close to the state average, Epping's secondary educational program has moved from approved provisional status to a full comprehensive program. To accomplish this change, curriculum, space, and services were expanded to meet the needs of the students. The School Board recognizes

the efforts of the administration in bringing about this accomplishment. As the needs of the school system change the School Board and administration review priorities and establish new goals. The School Board determines how these goals shall be met, while being ever conscious of the cost and the ability of the town to meet the needs.

There are still increasing numbers of pupils entering the elementary level, while at the same time the large lower grade population is beginning to move to the secondary level. Expanded facilities at the Junior High School site will be needed within the next two or three years. The Central School site will again need expansion at about the same time. If the Central School site cannot be expanded further, a new complex must be started in another location. The increasing numbers of students are a real fact and the needs of these students must, somehow, be met.

The action taken this year by the State of New Hampshire shifted more of the burden of public education onto the local taxpayer. When the state reduces its contributory share of the support of public education by 50+%, it is very difficult to then meet the needs of the local community without placing a heavier financial burden on the town. Without additional financial help the Epping School Board will find it difficult to meet the increasing needs placed before it.

The budget this year, again reflects the continual effect of inflation, competition with other school districts, needs of an increasing school population and reduction of state support.

Before establishing the budget for the school year 1972-73, the School Board determined preparatory guidelines for budget increases. The total salary increases would be held to a 5% maximum, consistent with government directives, and the total operational increases would not exceed 7%. The budget reflects an approximate 4.5% increase in total salaries and an operational increase of 8.0%. The total budget increase approximately 13.9%(\$71,024.00) of

which 5.9%(\$30,000.00) is the result of the first principal interest payment on the school addition, decreased state aid, and increased transportation costs. Of the 8.0% (\$41,000.00) operational increase, 2.5%(\$14,000.00) is needed for the hiring of two additional teachers. One teacher is needed for the elementary school level and the other is needed in the secondary school area. The reason for increasing the teaching staff is basically due to the increasing pupil population and the small sizes of the classrooms, which limit the number of pupils that can be in them. The remaining 5.5%(\$27,000.00) is the overall operational increase of all areas in the school system.

The Epping School Board feels that the budget for the school year 1972-73 is consistent with quality education and meets the communities needs. The school system must continue to provide the best level of quality education possible and at the same time meet the needs of a rapidly growing pupil population.

SUPERINTENDENT'S REPORT

In his annual message to the citizens of Epping, the Superintendent simply wishes to call attention to the excellent report submitted by the Epping School Board this year. This report reviews thoroughly Epping's recent educational development, it's current progress and recognizes future educational needs. Epping is indeed fortunate to have a school board whose members are as familiar and interested in Epping's educational program—this kind of dedication is Epping's greatest safeguard in maintaining "local control" over the educational system.

Chairman Wadleigh and his Board should certainly be commended.

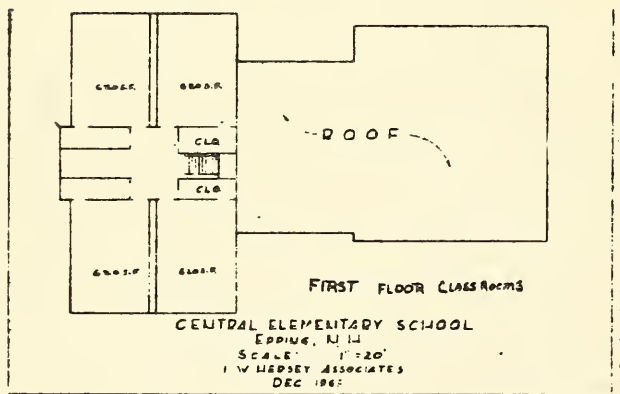

Respectfully submitted,

Francis C. Wilson
Superintendent of Schools

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board
Epping School District
Epping, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Epping School District for the fiscal year ended June 30, 1971, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer, School Lunch Program and Student Activities Fund.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A-1)

Comparative Balance Sheets as of June 30, 1970 and June 30, 1971, are presented in Exhibit A-1. As indicated therein, the Net Debt of the District decreased by \$27,899.04, from \$311,714.72 to \$283,815.68, during the fiscal year ended June 30, 1971.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the School District during the fiscal year ended June 30, 1971, is made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

Decreases in Net Debt:

Bonds Paid During Year	\$27,000.00
Net Budget Surplus	2,184.32
	\$29,184.32

Increases in Net Debt:

Surplus Used to Reduce	
School Tax	1,285.28
Net Decrease in Net Debt	\$27,899.04

Comparative Statements of Appropriations and Expenditures-
Estimated and Actual Revenues: (Exhibit A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4) a net net unexpended balance of appropriations of \$8,298.12, less a revenue deficit of \$6,113.00, resulted in a net budget surplus of \$2,184.32.

TREASURER

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of June 30, 1971, is included in Exhibit B-2.

School Lunch Program: (Exhibit C)

A statement showing the activity in the School Lunch Program account during the fiscal year is included in Exhibit C.

Student Activities Fund: (Exhibit D)

A statement covering the activity in the Student Activities Fund during the fiscal year 1970-71 is contained in Exhibit D.

School Tax Account: (Exhibit E)

Exhibit E presents a statement of the School District Tax account with the Town of Epping. As indicated therein, at June 30, 1971, the School District had received from the Town the total 1970-71 School Tax, the amount of which was \$356,705.10.

Long Term Indebtedness: (Exhibit F)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1971, showing annual debt service requirements, is contained in Exhibit F.

Current Surplus:

The current surplus (excess of total assets over current liabilities) of the School District increased by \$899.04 during the fiscal year, from \$1,285.28 to \$2,184.32, as shown herewith:

	June 30, 1970	June 30, 1971
Total Assets	\$9,382.45	\$9,580.16
Current Liabilities	8,097.17	7,395.84
Current Surplus	1,285.28	2,184.32

The factors which caused the increase were:

Increase in Current Surplus:

Net Budget Surplus	\$2,184.32
--------------------	------------

Decrease in Current Surplus:

Surplus Used to Reduce School Tax	\$1,285.28
-----------------------------------	------------

Net Increase in Current Surplus	\$ 899.04
---------------------------------	-----------

Note, Bond & Coupon Register:

The treasurer is required by R.S.A. 33:12 to maintain a note, bond and coupon register as prescribed by the State Tax Commission. Furthermore, the register must be submitted to the auditors when an examination of the accounts of the School District is made. This register has not been kept as required.

Conclusion:

The provisions of Chapter 71, Section 27-a, of the Revised Statutes Annotated, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in the audit report is optional, at the discretion of the School Board.

We extend our thanks to the officials of the Epping School District for their assistance during the course of the audit.

Very truly yours,
Frederick E. Laplante

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Epping School District for the fiscal year ended June 30, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1971, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

JOHN W. BLAISDELL M.D.
PHYSICIAN IN EPPING, N.H. 1940 – 1969

Doctor John W. Blaisdell was born September 8, 1914 in Haverhill, Mass. He graduated from St. James High School, Boston College and Tuft's Medical School.

After internships and resident physician at Lawrence General Hospital, he came to Epping, N.H. to take over Dr. Francis Hand's practice in 1940.

He was married in 1942 to Patricia M. Baril and has seven children and four grandchildren.

In 1970 he was elected an Emeritus Member of the New Hampshire Medical Society and a life member in the American Medical Association. He is also a member of the staff of the Exeter Hospital, Massachusetts Medical Association, Knights of Columbus 4th degree and Exeter Lion's Club.

Besides the long hours in hospital work, office and house calls, he was also the physician at the Rockingham Home and Hospital.

On July 17, 1962 he was in a very serious accident. The community was saddened and shocked; and due to their prayers he was back in practice in the late fall of 1963, but never was able to put in the long hours he had before.

During his 29 years of practice in Epping and surrounding towns he worked long and hard hours bringing new life into the world, and saving the lives of thousands of others already here. Rich and poor were all treated the same.

A brilliant and dedicated man for so long, Dr. Blaisdell retired from practice in 1969 due to illness.
